Lease of Chintalwadi Swasthya belonging to the Sri Vyasaraya Swami Matt.

From

The Government Agent

Nos 56/60 Dated 18th May and 9th June 1908.

The reports from the Government Agent relate to the leasing out of the lands belonging to the Sri Vyasarayaswami Matt in Chintalwadi, Kulittalai Taluk, Trichinoply District. The present lease of 5 years terminates in the month of July. The lease is for Rs. 450, out of which Rs. 63 which is the interest on the security deposit of Rs. 700 paid to the Matt by the lessee is deducted by him and Rs. 387 paid to the Matt. It is stated that the lands in question have been in the possession and enjoyment of the present lessee and his ancestors for the past over 50 years and that they

were instrumental in obtaining the lands for the Matt by means of litigation which went up to the High Court when the right of the Matt was opposed in former years. On my giving out my opinion orally some time ago that the lease would be put up to auction so as to secure the highest possible income to the Matt, the present lessee has offered to pay Rs 600 per annum and prays that the lease may be continued to him. He points out the inconveniences owing to floods etc, in carrying out the cultivation, the fact that the lands have been in his family for the past ½ a century and begs that this enhanced amount which he can pay only with much difficulty may be kindly accepted without having recourse to any auction.

The Government Agent has given strong reasons for complying with the request of the petitioner. He thinks that Rs. 600 is a very fair offer that higher bids, if any, would be offered by persons opposed in interest to the Matt merely with a view of removing the present lessees and that if such persons get into possession, much trouble and inconvenience may arise in the manner explained by him.

Subba Narasimhachar, one of the karbharies

of the Matt put in a petition stating that there were persons (without mentioning names) who would offer Rs. 850 & more and that the lease had better be put up tp auction. The report of the Government Agent on this petition also is herewith submitted. He reiterates the reasons formerly given and advises the acceptance of the present lessee's offer.

The lessees represented their case in person before the Second Councillor some days back.

Upon a consideration of the case, I am of the humble opinion that it is desirable in the best interests of the Matt to continue the lease in the hands of the present lessees. The present lessees have been very regular in the payment of their lease amount annually, they have been instrumental in getting the lands restored to the Matt and have been lessees for about ½ a century. The increased offer made by them is very fair but perhaps , we might add another ₹50 to the amount and fix the annual lease at ₹650/-. The period of

File No. of 190 | Muzrai Secretariat

the lease may be for 5 years. Besides this, they will have to pay the Government dues of Rs. 906 per annum.

A security deposit of Rs. 1000 may be obtained and placed in the Government Savings Bank, the savings bank interest thereon being allowed to be drawn by the lessee at the close of the contract. The deposit of Rs. 700 already obtained by the Matt from the lessee in former years has now to be refunded to the lessee and the balance of Rs. 300 /- obtained from him and the whole of Rs. 1000 placed in the Savings Bank. The net result of the present recommendation is:-

Present lease amount	450
Deduct interest @9% on ₹700 security deposit.	63
Balance actually received	387
Proposed future lease amount	650
Difference	263 profit

to the Matt.

Off memo no 469, dated 28 7 08

Forwards the petition of Doraisami Iyer and two others referred to above, for a detailed report.

From the Govt Agent, Sri Vyasarayaswami Matt

Report no 44, dated 31st Dec

Reports that as the previous lease of Chinta Gadi Swasthya belonging to the matt was to expire on the 15th July 1908, Narasiah and Raghavendriah who were the previous lessees applied for a renewal of the lease for a fresh period of 5 years, on more favorable terms, and even represented the matter to the 2nd Councillor in person,

(2) that the Govt Agent went to the village and made enquiries if any better offers were forthcoming as was brought to notice by the matt Agent Subbanarasimhachar, but could find none,

(3) that on his reporting the above fact, the Govt were pleased to renew the lease in favor of Narasiah and Raghavendriah,

(4) that he did not however hasten to have the lease deed executed &c until after the previous lease came to an end.

As regards the petition itself, the Govt Agent makes the following observations:—

(1) The petitioners have been written by Doraisami Iyer, Krishna Iyer and Ayyavaiyar, and these

are different from those who wrote the petition and that the petition is pseudonymous for the following reasons:-

(1) Dorasami Iyer's signature alone is found in the petition and this signature does not tally with that of the Village Munsiff of Mahadanapuram as can be verified by a reference to a list of collections attested by the latter, (which the Govt Agent has submitted)

(2) The petition bears the post mark of Karur a place 15 miles distant from Mahadanapuram. The Govt Agent argues that there being a Post Office at Mahadanapuram, there was no necessity for the petitioner to go all the way to Karur merely to post the petition.

(3) The petition bears ~~post~~ date the 10th July 1908 as the date of ~~postage~~ posting, but the Govt Agent says that from a letter which from Narasimha he learns that Krishna Iyer and Ayyava Iyer could not have authorised Dorasami Iyer to write the petn for them, as the former had died on the 30th Oct 1907, and the latter ought to have been on his deathbed, as he died on the 18th August 1908.

Finally the Govt Agent identifies the writer of the petition with one Gopu Tinnevelly Gopala Sami Achar, and that he wrote the petition at the instigation of Subba Narasimhaiyer, mat

for the following reasons:-

(1) Gopalasamiachar lives at Karur.

(2) He is an intimate freind of Subba narasimhaya

(3) He had himself requested the Govt. Agent on the 4th Oct. 1907, to grant any lease to him. (The Govt Agent has subd the letter for reff.)

(4) The Kanarese writing of this letter exactly tallies with that of the petition now under disposal

(5) The Tamil writing in his letter to him and in another to lessee Raghavendriah also corresponds with the signature in the present petition.

(6) It has been usual for Gopalaswamiachar to stipulate for commission from the lessees of Math lands, ~~and~~ and this can be verified by perusing the copy of a document executed by a lessee of the Math lands in the Madura Dt. Not finding the present lessees Narasiah and Raghavendriah ~~and~~ amenable to any nefarious transaction, this Gopalasamiachar and Agent Subba Narasimhaphar, have conspired together to write the present petition, in view to spite the Govt Agent and the present lessees.

Report submitted by M. Raghavendra Rao, the Mysore Government Agent for Sri Vyasarayaswami matt.

Re: Lease arrangement to be made for Chintalvadi Swastya in the Kulathai Taluk, Trichinopoly District.

Begs respectfully to report that the present lease of the above Swastya with Narasiah and Raghavendriah termi-nates on 15 13/4 July 1908. These Lessees have lodged with the matt a deposit of Rs 700. For the current Fasle 1317 a Sum of Rs 450 is due from the Lessees as Gutta. Deducting Rs 63 one years inte-rest on deposit at 9. p.c per annum and Rs 36 the pay of Archik of Sri Nara-Simhaswamy temple at Chintalvadi

there remains a balance of Rs 357, which sum together with an additional amount of Rs 349 has to be paid to the Lessees towards the repayment of the Deposit.

2 The draft form of notice for calling fresh tenders for Valavetti submitted with his Report No 26. Dated 26th December 1907 if approved of may also be adopted for publication in the Trichinopoly District Gazettee.

3. The wordings of the Tamil draft lease bond and Kedaradai submitted for Valavetti may also be adopted with some modifications to suit the local circumstances of this property.

4. The present Lessees represent that this Swastya had been lost to the Matt some time ago through the cupidity of the former Lessees, the inhabitants of Chinalavadi. Their ancestors fight out the cause of the Matt in Courts against the usurpers and recovered the property for the Matt. In consideration of this service the Sri Swamies of the Matt have all along been pleased to let the lease of this property remain in the family of these two persons. If public tenders are called for it may be possible that the property may go to the hands of the descendants of the usurpers, who only to

take the lease off the hands of the present Lessees may submit a tender much higher than the property is worth to be tendered for. They being poor respectable and honest persons cannot afford to risk beyond a reasonable figure. They therefore respectfully pray that in consideration of the help rendered by their ancistors in securing the property to the mutt the further lease may be granted to them for a reasonable increase of Gutta. They say that the Swamigalavaru of the mutt will be able to speak to the fact of the help rendered by the forefathers of the present lessees and if needed they are prepared to bring a Srimukha from the mutt to this effect.

My dear Raoji, C.V. Narasinga Rao Garu

I send you my official report re future lease of Chittalawadi Swastya. From a perusal of the report you will find it is not desirable to open public tender for very many reasons fully explained in the report.

The Sri Swamigalavaru made the advice of the Karbharies made almost a present of a property worth Rs 30,000 at Srirangam by granting most unwarranted document to late Rangachar of Srirangam Peggadi.

Here is the Petitioner who honestly prays for your help by consenting to give you enhanced Patta, & never aspires to deprive the right of the property. Is it fair for you to withhold your help from him? By doing do is the matt beneficial? No, many times no. To

THE SECRETARY,
TO THE GOVERNMENT OF H. H. THE MAHARAJA OF MYSORE
IN THE MUZRAI DEPARTMENT
BAGNALORE.

Report submitted by M. Raghavendra Rao, the Mysore Government Agent for Sri Vyasarayaswami Matt.

Reference :— Government order No 3740 dated 18th February 1908

Subject :— Application by C. V. Narasinga Rao of Chintalawadi praying that the lease of Chintalawadi Swastya may be granted to him for 10 years at an annual rental of Rs 600.

Sir,

In returning Petition Regd. No 3159 dated 5th February 1908 presented to you by C. V Narasinga Rao nephew of Raghavendrayya and Narasinga, the present Guttadars of Chintalawadi Swastya forwarded to me with the above for report, I beg respectfully to submit herewith a statement from which it will be seen that the property of the Sri Vyasaraya Swami m at Chintalavadi village, in the Kulitalai Talaka

-of the Trichinopoly District consists of 38.67 acres of wet land and 0.68 acres of dry land cultivated with wet crop by bailing water.

2. The dry land property of the matt is peculiar at Chintalawadi. Though the dry lands of the village are the property of the mirasidars the holding of each mirasidar is not separately assigned to him. The lands are cultivated by Ryatas who are their vertical owners. The mirasidars according to the shares held by them pay the Sirkar rent every year, and afterwards recover from the cultivating Ryatas with a small addition for the right of Cultivation. In the olden times the whole of the dry land attached to the village were divided into 90 shares of which 16 belong to the matt, the annual Sirkar rent for these shares being Rs 346. 1. 3. It is not therefore possible to specifically point out the dry land property of the matt at Chintalawadi.

3. It appears that in the olden times the Madhwa Brahmin residents of Chintalawadi were paying yearly Cash endowments to the Sri Vyasaraya Swami matt. After a time, some of the Madhwa Brahmins refused to pay to the matt the stipulated Sum. A dispute then arose between the matt and these Brahmins.

Amongst the latter two parties were formed in different branches of the same family of which one party sympathised with the claim of the matt and the other opposed the same A genological tree consisting the members of this family is here to attached from which it will be seen that the present Guttadars and the Petitioner are the descendants of the sympathisers with the claim of the matt Their ancestors Madhwa Row and Srinivasachar supported the matt's claim while the members of the other Branches of the same family Viz; Rangachar, Bhoonarachar, Ramachar and Vasudevachar disputed in the Courts of law the right of the Matt to the lands. In the Original and appeal Courts the claim of the matt was rejected but in the High Court of judicature Madras the matt's claim was upheld. Although the highest tribunal of the Presidency awarded the decree it was difficult to Madhwa Rao and Srinivasachar to obtain possession of the decreed property as nearly the whole of the village was against the matt. After a patient work of several years these two persons succeeded in getting the possession the lands from the hands of the obpo

Ever since then these two persons and their descendants cultivate this Swastya on Gutta tenure and have been regularly paying the Matt's dues.

4. From local enquiries at Chintala wadi I find that except the representatives of those from whom the lands were recovered in the past and the Village Karnam Dorasawmi ayer, are likely to bid for the right of cultivating these lands. The lands of these persons are so intimately interwoven with those of the Matt so much so that they both in many instances bear the same name. If these lands once again were to go to their hands I am afraid that encroachments very difficult to prevents might occur.

5. By careful investigation I have ascertained almost exactly the yield of the each Survey number and have personally acquainted myself with the nature of each piece of land. They may be classified thus:—

1st Class wet lands 9.12 acers.

yielding by home farming 177 kallas of paddy and 11 S.rs Gutta

2nd Class do 13.12 acers 234 do 177 do

3rd class do 12.20 do 176 do 126 do

4th class wet lands 0.50 acres

	yielding by kanni	& Gutta	odd by kanni	& Gutta
5th class	do. 1.91	do.	0	do. 3 do.
Total	38.01	do.	593	do. 125

Besides the above 0.66 acres of dry land is cultivated with wet crop with water irrigated by bailing which yields a sum of Rs10 Gutta per year.

6. The produce from the first class lands measuring 9.62 acres is certain every year while the yield from the lands classes 2 to 4 measuring 26.42 acres is precarious as these lands are more or less subjected to inundation during the freshes in the river Kaveri The lands coming under classes 3 to 5 consist of soil mixed with lime stones which are considered to be inferior for growing paddy. Moreover the whole of the 5th class land measuring 1.97 acres remain waste as the channel water does not flow as far as this land to irrigate it. An assessment of about Rs 17 is paid for the land to Sirkar in main.

7. I have ascertained that in a year in which the cultivation has been fairly good the Guttadar can.

expect to get a harvest of about 593 Kallas* of paddy from two crops by home farming or 425 Kallas of paddy by sub-letting lands for Gatta. The system at present obtaining is mostly home farming. Assuming their fair average yearly harvest is 593 Kallas of paddy the value thereof will be Rs 1779 at an average price of Rs 3 per Kalla. This rate is fair as I understand that paddy grown in Chintalawadi are of inferior varieties known by the names of Waalan and Kuruvai. Samba is the superior variety for the growth of which Chintalawadi lands are not adapted.

The above profit is not much for 3 persons who now work the property each person gets about Rs 80 per year. The property cannot be worked by a single hand being extensive. Two or three persons should necessarily be employed on it. The minute details of working the property will shew that it is not possible for any one to work the Swastya for a much greater profit Considering the constant loss of crop sustained owing to inundation of the major portion of the land. No one can therefore bid higher than the Petitioner with an honest motive of gaining profit on the business

8. The only persons who may possibly venture to offer more even at a loss to them are the descendants of those persons from whom the property was recovered.

under the authority of the High Court Decree. As already represented above in para 4 it is not desirable to let them again take possession of the property which was recovered from them at a great cost and hard labour of many years spent in litigation. Moreover the business being unprofitable, the probability is that they would necessarily pick up quarrel the proceeds of the Sewasty not being sufficient to pay up gutta. It is feared that much complications might arise from the unprofitable nature of the undertaking to bidders higher than the Petitioner.

9. Further, it will be necessary in the Course of the future Contract to work for partitions of dry lands which are now worked on Samudaya principal which is not profitable. No new Contractor Can be trusted to do this work honestly and much less so the Officiants of the Matt.

10. Under the foregoing Circumstances it is certainly advantageous to Matt in every way to accept the offer of the proposal made by the Petitioner. The present Contract is for

50 minus Rs 63, interest on the Security deposit of Rs 700 at 9% per annum, or Rs 387 net. By accepting the Petitioner's offer there is a clear profit of Rs 213 to the matt per year. He prays that the contract may be given him for 10 years which is far too long a period. The Contract may be given for 5 years on Condition of his lodging Rs 1000 as Security Deposit in the Mysore Government Savings Bank and agreeing to accept what interest the Bank may allow him under the Bank rules.

I beg to remain,

Sir,

To

The Secretary to Government,
Mazrai Department

Sir,

I hear that the Government Agent of Sri Vyasaraj Mutt, for the possessions in British India has arranged for a lease of Chintal adi Village (Trichinopoly District) for an annual receipt of Rs 650. In my recent tour in the Trichinopoly District I came to know that there are persons who volunteer themselves to pay an annual contribution of Rs 850 and an advance of Rs 1000. If the lease be left open to the public in an auction I believe that people may come forward to pay a sum much more than what I represent. Under these circumstances and considering the beneficial side of the Matt I am directed to request you to throw open the lease of the said village in an auction where my presence will be necessary to settle it subsequently.

I have the honour to be,
Sir,
Your most obedient
Servant

~~Subject~~ :— narasimhachar Kharbhari of the Sri Vyasarayaswami matt representing that if the lease of Chintalwadi Swastya were given out on contract in a public auction sale it would fetch a larger amount of rent to the matt.

Sir,

In returning the communication above referred to I beg respectfully to report that judging from the data collected by me by local enquiry and working of the Chintalwadi Swastya which I submitted with my report no 56 dated 18th May 1908 a rent of about Rs 600 per year appears to me to be reasonable as it leaves a margin of moderate profit to the Lessee in return to his trouble for working the Swastya. The payment of any higher rent would make the Lessee not only to forego the profit but also work the property for a loss if the Swastya lands are subjected to more frequent inundations.

in the river Kaveri. Knowing that the Lessees have an amount of risk to run in the working of the Swastya lands the matt, in fairness, should not wish to get everything without leaving something to the Lessees for their trouble and risk.

2 At Chintalwadi the descendants of those from whom these lands were recovered by a lengthy civil action in former days are still contemplating to take possession of these lands by some means or other. It is possible that these persons may offer a higher rent even though it may be a loss to them and the Kharbhari being aware of this fact appears to have purposely avoided to make a mention of the names of parties who are willing to offer a rent of Rs 850. But I have already explained in my report no 56 dated 18th May 1908, that accepting offers from persons hostile to the interest of the matt would eventually lead to complications and difficulties and to this explanation I have nothing more to add. It is still my belief that those who wish to work the Swastya for a moderate profit cannot offer a higher rent than about Rs 600. A threat to the present lessees to the effect that they will be deprived of the possession of the long enjoyed matt property might perhaps force them to pay Rs 50 or even Rs 100 without regard to any profit or loss on the business. I would have given a stress to this point in my previous report but knowing as I do, that the future Lessees do not expect any interest from the matt as heretofore on the security deposit of Rs 1000 they have to sustain a loss of Rs 90 per year in the shape of interest, I had not the heart to press the point vigorously on them

I beg to remain

Petition Registered No. [illegible], dated 7th April 1908, from C.V. Narasimha Rao, praying on behalf of the present lessees that the lease of Chintalwadi Swasthyam in the Kulittalai Taluk of the Trichinopoly District belonging to the Sri Sosale Vyasarayaswami Matt may be continued to the present lessees, viz, Narasiah and Raghavendriah.

2. Petition Registered No. 1766, dated 25th May 1908, from the Karbhari of the Matt, requesting that the lease of the above named village may be put up to auction.

3. Reports Nos. 57 & 60, dated 16th and 29th June 1908, from the Government Agent reporting on the above.

Order thereon No. 5768-9 Dated Camp Mysore 22nd June 1908

The Government Agent of the Sri Vyasarayaswami Matt, reports that the present lease of the lands belonging to the Matt in Chintalwadi, Kulittalai Taluk, Trichinopoly District, terminates in the month of July 1908 and that the lease is for ₹450 out of which ₹63 which is the interest on the security deposit of ₹700 paid to the Matt by the lessee is deducted by him and Rs 387 paid to the Matt. He further reports that the

lands in question have been in the possession and enjoyment of the present lessee C. V. Narasinga Rao and his ancestors for the past over 50 years and that they were instrumental in obtaining the lands for the Matt by means of litigation which went up to the High Court when the right of the Matt was opposed in former years. It having been stated some time ~~time~~ ago that the lease of those lands would be put up to auction so as to secure the highest possible income to the Matt, the present lessees offered to pay Rs.600 per annum and prayed that the lease ~~may~~ might be continued to them. They point out the inconveniences owing to floods etc, in carrying out the cultivation, the fact that the lands have been in their family for the past half a century and beg that the enhanced amount which they can pay only with much difficulty may be kindly accepted without having recourse to any auction.

2. The Government Agent, in his reports read above, gives strong reasons for complying with the request of the petitioners He thinks that Rs.600 is a very fair offer, that higher bids , if any, would be offered by persons opposed in interest to the Matt merely with a view of removing the present lessees and if such persons get into possession, much trouble and inconvenience may arise in the manner explained by him.

3. Subba Narasimhachar, Karbhari of the Matt put in a petition stating that there were persons (without mentioning names) who would offer Rs.850 and more and that the lease had

better be put up to auction. With reference to this petition also, the Government Agent reiterates the reasons formerly given and recommends the acceptance of the present lessees' offer. The lessees on whose behalf C. V. Narasinga Rao petitioned Government also represented their case in person before Government.

4. Upon a consideration of the case, the Government deem it desirable in the best interests of the Matt to continue the lease in the hands of the present lessees. The present lessees have been very regular in the payment of the lease amount annually, have been instrumental in getting the lands restored to the Matt and have been lessees for about half a century. The Government are therefore pleased to direct that the lease of the Chintalwadi Swastya be renewed for 5 years in favor of the present lessees Narasiah and Raghavendria at Rs.60 per annum. They should deposit a sum of Rs. 1000 in the Government Savings Bank as security for the due payment of the lease amount and also pay the Government dues amounting to Rs. 906 odd per annum. As however, a deposit of Rs. 700 has been already obtained by the Matt from the lessees in former years, this amount will be drawn from the Matt Funds and refunded to them. They will be now required to deposit the sum of Rs. 1000 now directed to be deposited as security. The Saving's Bank interest on the sum of Rs 1000/- thus deposited, will be allowed to be drawn by the lessees at the close of the lease.

5.

5. The Government Agent is requested to obtain from the lessees a regular lease deed duly executed and Registered and also the amount of security and report the result of the action taken to the Muzrai Secretariat.

ಮಾನ್ಯರೇ,

ಈ ಪತ್ರಿಕೆಯ ಸಂಪಾದಕರಿಗೆ ಪತ್ರ ಬರೆಯುವ ಅವಕಾಶವನ್ನು ಕಲ್ಪಿಸಿರುವುದಕ್ಕೆ ಧನ್ಯವಾದಗಳು. ನಾನು ಈ ಪತ್ರಿಕೆಯ ಓದುಗರಲ್ಲಿ ಒಬ್ಬನಾಗಿದ್ದು ಇದರಲ್ಲಿ ಪ್ರಕಟವಾಗುವ ಲೇಖನಗಳನ್ನು ಆಸಕ್ತಿಯಿಂದ ಓದುತ್ತೇನೆ. ಇದರಲ್ಲಿ ಪ್ರಕಟವಾಗುವ ಲೇಖನಗಳು ಸಾಮಾನ್ಯವಾಗಿ ಉತ್ತಮ ಗುಣಮಟ್ಟದಿಂದ ಕೂಡಿರುತ್ತವೆ. ಆದರೆ ಕೆಲವು ಲೇಖನಗಳಲ್ಲಿ ಕಂಡುಬರುವ ಕೆಲವು ಅಂಶಗಳ ಬಗ್ಗೆ ನನ್ನ ಅಭಿಪ್ರಾಯವನ್ನು ಈ ಪತ್ರದ ಮೂಲಕ ತಿಳಿಸಲು ಇಚ್ಛಿಸುತ್ತೇನೆ.

ಈ ಪತ್ರಿಕೆಯಲ್ಲಿ ಪ್ರಕಟವಾಗುವ ಲೇಖನಗಳಲ್ಲಿ ಕೆಲವು ಲೇಖನಗಳು ಸಮಾಜದಲ್ಲಿ ಕೆಲವು ವ್ಯಕ್ತಿಗಳ ಬಗ್ಗೆ ಅಥವಾ ಸಂಸ್ಥೆಗಳ ಬಗ್ಗೆ ಟೀಕೆಯನ್ನು ಒಳಗೊಂಡಿರುತ್ತವೆ. ಇಂತಹ ಲೇಖನಗಳು ಸಮಾಜದ ಒಳಿತಿಗಾಗಿ ಅವಶ್ಯಕವಾಗಿರುತ್ತವೆ. ಆದರೆ ಇಂತಹ ಲೇಖನಗಳಲ್ಲಿ ಕೆಲವು ಲೇಖಕರು ತಮ್ಮ ಹೆಸರನ್ನು ಬಹಿರಂಗಪಡಿಸದೆ Pseudonymous ಆಗಿ ಬರೆಯುತ್ತಾರೆ. ಇಂತಹ ಲೇಖನಗಳಲ್ಲಿ ಕೆಲವು ಲೇಖನಗಳು ಸಮಾಜದಲ್ಲಿ ಕೆಲವು ವ್ಯಕ್ತಿಗಳ ಬಗ್ಗೆ ಅಥವಾ ಸಂಸ್ಥೆಗಳ ಬಗ್ಗೆ ಟೀಕೆಯನ್ನು ಒಳಗೊಂಡಿರುತ್ತವೆ. ಇಂತಹ ಲೇಖನಗಳು ಸಮಾಜದ ಒಳಿತಿಗಾಗಿ ಅವಶ್ಯಕವಾಗಿರುತ್ತವೆ. ಆದರೆ ಇಂತಹ ಲೇಖನಗಳಲ್ಲಿ ಕೆಲವು ಲೇಖಕರು ತಮ್ಮ ಹೆಸರನ್ನು ಬಹಿರಂಗಪಡಿಸದೆ Pseudonymous ಆಗಿ ಬರೆಯುತ್ತಾರ
